The Houston Association of Professional Landmen (HAPL) Shale Play Seminar and the Shale Play Social will be held Thursday, September 21st, 2017 in Highland Village at Smith and Wollensky, 4007 Westheimer Rd., Houston, Texas, 77027. The social is an informal networking event in Houston dedicated to those individuals and companies that work in or have an interest in shale plays. This year the HAPL Shale Seminar is pleased to have Commissioner Wayne Christian, of the Texas Rail Road Commission, as a presenter. The HAPL Shale Play Social proved to be a very successful networking event for shale players last year - there were over one hundred landmen in attendance! This event is only made possible by our generous sponsors. Our goal is to make this year's HAPL Shale Play Social an even greater networking success. The Social will be held in the window room of Smith and Wollensky, on the second floor, overlooking Highland Village.

We are currently looking for sponsors. The Shale Play Seminar and the Shale Play Social committees work together and pool our fundraising. If your organization is interested in being a sponsor for these events, please contact **Jonathan Click** (see next page).
