

Houston Association of Professional Landmen

66th Executive Night

Presented by Chevron

May 25, 2022

Dear Valued Supporter:

The Houston Association of Professional Landmen (“HAPL”) is pleased to announce that the **66th Executive Night**, featuring Guest Speaker Harold G. Hamm, Founder and Chairman of the Board of Directors, Continental Resources, Inc., will be held on **Thursday, October 13, 2022**, at the Hotel ZaZa, Houston Museum District. More than 300 executives, directors, and leaders from all disciplines of the oil and gas industry attend this event each year. This is only possible with help from our generous sponsors.

The levels of sponsorship are detailed on the attached form and on the HAPL webpage <https://hapl.org/events/956>. Sponsor names and logos will be prominently displayed during the event as well as being recognized on the HAPL website, in the HAPL Monthly Newsletter, in the evening’s event program, and on the PowerPoint projected during dinner. Diamond Sponsors and above will have the option of reserving a table seating ten, details of which are highlighted on the webpage link.

In addition to offering programs, events, and continuing education opportunities to Landmen, the HAPL has consistently given back to the community. Over the past 8 years the HAPL has donated over \$182,000 to community service, over \$92,000 to student scholarships, and \$106,000 to teachers throughout the Houston area. This level of giving would not be possible without the generous support of HAPL sponsors and members.

The Executive Night committee greatly appreciates your consideration of this request. If you would like to donate, please visit the HAPL website at <https://hapl.org/events/956> and, select the orange “Sponsor” button to the payment link; or a check payable to HAPL noting “Executive Night” on the memo line may be mailed, along with the completed sponsorship form, to HAPL 800 Bering Drive, Suite 120, Houston, TX 77057. We ask that all contributions, **together with a high-resolution copy of your company logo**, be submitted by **Friday, September 23, 2022**, to ensure inclusion in the program and on the sponsor boards. If you have any questions, please contact Executive Night Chair Christine Touchstone, CPL ctouchstone@lefrakenergy.com.

Without the support of our colleagues, this type of event could not be possible. We appreciate your participation and look forward to seeing you at this year’s Executive Night!

Sincerely,

Christine Touchstone, CPL
Executive Night Chair
