The Houston Association of Professional Landmen (HAPL) Shale Play Seminar and the Shale Play Social will be held Thursday, September 19, 2019 at America's River Oaks, 2040 Houston, Texas, 77019. The social is an informal networking event in Houston dedicated to those individuals and companies that work in or have an interest in shale plays. The HAPL Shale Play Social proved to be a very successful networking event for shale players last year - there were over one hundred landmen in attendance! This event is only made possible by our generous sponsors. Our goal is to make this year's HAPL Shale Play Social an even greater networking success. The Social will also be held at America's.

We are currently looking for sponsors. The Shale Play Seminar and the Shale Play Social committees work together and pool our fundraising. If your organization is interested in being a sponsor for these events, please contact **Jonathan Click, CPL** (see next page). Your company will be **recognized prominently with a large banner at the seminar and social in addition to applicable sponsor level benefits described below:**
